

New Certificants - March 2022

The NBCRNA is pleased to announce that the following 34 individuals were granted certification by the National Board of Certification and Recertification for Nurse Anesthetists after successfully passing the National Certification Examination (NCE) in March 2022. The state of residence for the Certified Registered Nurse Anesthetist (CRNA) indicated below is the one on record at the time of printing. Certification and Recertification for nurse anesthetists can be verified online at anytime by selecting Credential Verification on the NBCRNA website (www.NBCRNA.com).
