

Class B Reporting Document

Activity Category: Presentations by CRNA

Description: Content development for educational purposes (e.g., didactic/clinical faculty; journal clubs; seminars; M&M conferences; CE activities).

Presentations on a given topic may be counted up to four times in a given cycle, provided that the content has been updated prior to each delivery.

Value: 60 minutes (1 clock hour) of delivered presentation = 3 Class B credits

Required/Recommended Audit Documentation and/or Information:

- Presentation materials (e.g., PowerPoint, handouts)
- Presentation date and location
- Length of presentation
- Description of the presentation audience
- Contact email of person organizing presentation and who can verify presentation was delivered (e.g., State association director, nurse anesthesia program administrator, chief nurse anesthetist, CE provider program director)

Use the box below to document any of the above information. Save this document on your computer, then attached any additional pertinent items at the time of submission.

Name of CRNA: _____

AANA # _____

Signature of CRNA: _____

Date of Submission: _____
