

## Class B Reporting Document

**Activity Category:** Teaching in the Clinical Setting

**Description:** Any role that involves direct clinical supervision or teaching behaviors for learners of any level type.

As examples, this includes, but is not limited to, student nurse anesthetists, medical students, or registered nurses gaining airway management experience.

**Value:** 1 day = 1 Class B credit

**Required/Recommended Audit Documentation and/or Information:**

- Date(s) of activity(s)
- Learner category (e.g., nurse anesthesia student, RN, medical student)
- Contact email for individuals capable of verification (e.g., nurse anesthesia program administrator, chief nurse anesthetist)

Use the box below to document any of the above information. Save this document on your computer, then attached any additional pertinent items at the time of submission.

**Name of CRNA:** \_\_\_\_\_

**AANA #** \_\_\_\_\_

**Signature of CRNA:** \_\_\_\_\_

**Date of Submission:** \_\_\_\_\_

NOTE: AANA Members who have entered the CPC Program can upload this form, along with any supporting documentation, into their Class B portal, accessible at: <https://aptify.aana.com/Aptify/Certification/CETranscriptsLanding.aspx>
