

## Class B Reporting Document

**Activity Category:** Class A: Assessed Continuing Education (CE)

**Description:** Any assessed CEs that meet the criteria for Class A requirements (i.e., must be prior approved by the AANA or another recognized accredited provider of continuing education, include an assessment and be relevant to anesthesia care).

May only be reported as Class B after all Class A requirements have been met. A single CE offering fitting this description may be reported only once in a cycle. Repeated claims for the same CE course are not allowed.

**Value:** 1 CE = 60 minutes (1 clock hour) = 1 Class B credit

**Required/Recommended Audit Documentation and/or Information:**

- Program provider
- Program name
- Number of CEs awarded
- Certificate of attendance or completion

**Use the box below to document any of the above information. Save this document on your computer, then attached any additional pertinent items at the time of submission.**
