### Program Requirements

The Reentry Program consists of three sequential steps, all of which must be completed within a consecutive 24-month period, starting with the date of enrollment in the Reentry Program. The following is a summary of the three steps. BOTH Step One and Step Two must be completed within 12 consecutive months after Reentry Program enrollment. Step Three must be completed within 24 consecutive months after Reentry Program enrollment.

**Step One:** Complete 60 Class A credits, 40 Class B credits, 4 Core Modules (one in each of the four content areas), provide evidence of valid BLS and ACLS certifications, and pass an examination\* in order to move to Step Two of the program. Information regarding these items can be found in the Continued Professional Certification (CPC) Program Handbook available on the NBCRNA website.

**Step Two:** Complete a list of NBCRNA-identified activities at an accredited simulation center in order to move to Step Three of the program.

**Step Three:** Provide evidence of nurse anesthesia employment within the 12 consecutive months following completion of Step Two of the program or by the end of the 24-month Reentry Program, whichever is shorter.

*\*The NBCRNA's National Certification Examination (NCE) will be used to meet the examination requirement in Step One for Reentry Program participants enrolled in the program between 8/1/2016 and 12/31/2019. Starting on 1/1/2020, Reentry Program participants will be required to sit for and pass the CPC Examination.*
