

What is CPCA Practice?

CPC Assessment (CPCA) Practice is an interactive, online practice assessment for nurse anesthetists. Test your knowledge and gain valuable insights with CPCA Practice!

CPCA Practice empowers CRNAs to evaluate their knowledge, while

gaining assessment experience and earning Class A credits. Two versions are now available.

Access the Full Bank of 80 Questions.

After you take *CPCA Practice I and II*, you will have access to all 160 questions in the question bank for one year (from the date of purchase). Each time you take each 40-question, interactive assessment, half of the questions will be new. This applies to both versions. You may take each version up to three times.

Receive Personalized Feedback.

CPCA Practice I and II provides a breakdown of your correct answers on each domain* in every 40-question set. Feedback will include the percent of correctly answered questions complete with rationale for each answer.

* The core domains of anesthesia practice apply to all CRNAs, regardless of practice focus. They include: Airway Management; Applied Clinical Pharmacology; Human Physiology and Pathophysiology; and Anesthesia Equipment, Technology, and Safety.

Note: *CPCA Practice I and II* have been prior approved by the American Association of Nurse Anesthetists. *CPCA Practice I*, 2.00 Class A credits; Code Number 1038257; Expiration Date 9/30/2022. *CPCA Practice II*, 2.00 Class A CE credits; Code Number 1040254; Expiration Date 5/31/2024.

Get Access.

With 24/7 access, you can take the practice assessments where and when you want.

Get Insights.

CPCA Practice I and II use an interactive, online format featuring multiple choice, multiple select, and clinical case scenario questions to help you identify gaps in knowledge. Taking you through 40 questions, each version of *CPCA Practice* covers the Continued Professional Certification (CPC) Program's four core domains of anesthesia practice. These areas of practice apply to all CRNAs, regardless of their individual practice focus.

Get Class A Credit.

CPCA Practice I and II have been prior approved by the AANA for two Class A CE credits each, with an 80% passing score on one of the first three attempts.
